## **Bunge Names Brian Zachman President of Global Risk Management**

**WHITE PLAINS, NY – January 11, 2019** – Bunge Limited (NYSE: BG) today announced that Brian Zachman has been named President of Global Risk Management, effective January 14, 2019. In this new role, he will report to the CEO of Bunge Limited and serve on the executive leadership committee.

“Brian is an experienced risk manager with extensive knowledge of the agricultural commodity value chain, including handling, transportation, processing and distribution of oilseeds, oilseed products and grains,” said Kathleen Hyle, Bunge Board Chair. “His proven leadership and record of delivering risk-adjusted returns will further strengthen Bunge’s risk management capability, which is a key priority for the company.”

Mr. Zachman, 47, has held portfolio management positions focused on agricultural commodity derivatives since 2012, most recently with Millennium Limited Partners. Mr. Zachman previously worked at Bunge from 1999 to 2012, serving in a number of commercial and trading roles within Agribusiness. Prior to that, he held various commercial and merchant roles with Cargill and ConAgra.

Mr. Zachman holds a Bachelor of Arts in Economics from the University of Minnesota-Duluth and will be based in White Plains, New York.

### **About Bunge Limited**

---

Bunge Limited ([www.bunge.com](http://www.bunge.com), NYSE: BG) is a leading global agribusiness and food company operating in over 40 countries with approximately 32,000 employees. Bunge buys, sells, stores and transports oilseeds and grains to serve customers worldwide; processes oilseeds to make protein meal for animal feed and edible oil products for commercial customers and consumers; produces sugar and ethanol from sugarcane; mills wheat, corn and rice to make ingredients used by food companies; and sells fertilizer in South America. Founded in 1818, the company is headquartered in White Plains, New York.

## Cautionary Statement Concerning Forward-Looking Statements

---

This press release contains both historical and forward-looking statements. All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are not based on historical facts, but rather reflect our current expectations and projections about our future results, performance, prospects and opportunities. We have tried to identify these forward-looking statements by using words including "may," "will," "should," "could," "expect," "anticipate," "believe," "plan," "intend," "estimate," "continue" and similar expressions. These forward-looking statements are subject to a number of risks, uncertainties and other factors that could cause our actual results, performance, prospects or opportunities to differ materially from those expressed in, or implied by, these forward-looking statements. The following important factors, among others, could affect our business and financial performance: industry conditions, including fluctuations in supply, demand and prices for agricultural commodities and other raw materials and products used in our business; fluctuations in energy and freight costs and competitive developments in our industries; the effects of weather conditions and the outbreak of crop and animal disease on our business; global and regional agricultural, economic, financial and commodities market, political, social and health conditions; the outcome of pending regulatory and legal proceedings; our ability to complete, integrate and benefit from acquisitions, dispositions, joint ventures and strategic alliances; our ability to achieve the efficiencies, savings and other benefits anticipated from our cost reduction, margin improvement and other business optimization initiatives; changes in government policies, laws and regulations affecting our business, including agricultural and trade policies, tax regulations and biofuels legislation; and other factors affecting our business generally. The forward-looking statements included in this release are made only as of the date of this release, and except as otherwise required by federal securities law, we do not have any obligation to publicly update or revise any forward-looking statements to reflect subsequent events or circumstances.
