GMO**

Bunge's Key Ingredients

for an Authentic Cheeseburger Experience from Plants

PATTY

CHEEZE

PurePro Proteins: Faba 85S	Delivers a cohesive, savory patty
PurePro Proteins: Soy 70T - Granule 300	Provides the juicy, meaty experience
PurePro Proteins: Soy 70T - Flake 400	Adds extra juiciness and meatiness
BeLeaf Lipids: High-Oleic Sunflower Oil	Supplies the succulence
BeLeaf Lipids: Shea Butter	Finishes off the beautiful marbling
PurePro Proteins: Faba 85S	Creates the perfectly gooey melt
BeLeaf Lipids: Coconut Oil	Makes cheeze oh-so creamy
BeLeaf Lipids: High-Oleic Sunflower Oil	Smooths and evens out the texture
